TO WHOMSOEVER IT MAY CONCERN

This certifies that I-Catalysts, based in New Delhi, partnered with VisionSpring Foundation for conducting eye-screening sessions for children attending government-owned and sponsored schools in Delhi NCR in November 2022, April 2023, and May 2023. Through this collaboration, we successfully screened 16,051 children and 14% were found with impaired vision who were given the much-needed eyeglasses.

The primary aim of this initiative was to conduct comprehensive eye-screenings for students and to ensure that those in need received eyeglasses. We recognize that clear vision is crucial for enhancing the quality of life for these young beneficiaries.

I-Catalysts played a pivotal role by providing exceptional support in mobilising resources and educating children about the importance of eyecare. Additionally, they provided promotional materials to schools, facilitating awareness at the grassroots level.

We extend our heartfelt appreciation to I-Catalysts for their dedication and commendable efforts in this noble cause. We wish them continued success in all their endeavors.
